

1WAY GOES TO SCHOOL

God is doing amazing things in schools across this land and each year we have the privilege of reaching thousands of young people with the Gospel. We seek to work with schools in a number of different areas:

S.U. Meetings

Our heart is to encourage S.U. groups in their personal walks with God and to inspire and equip them in evangelism in their schools. We also enjoy taking S.U. weekends away.

R.E. Classes

As a ministry we see the importance of Christian teaching in schools and we are available to teach R.E. lessons. Whether it is topical issues or more syllabus based teaching we would love to help.

Lunch Specials

These are evangelistic events which seek to present the Good News in a clear and relevant way through multimedia, testimony and God's Word. God has blessed these events in a wonderful way and many schools have been impacted.

1-Way Evening

This is a special evangelistic evening which invites the whole school to come and hear the Good News of Jesus. Through drama, songs, multimedia, testimony and God's Word we seek to communicate God's love with entire schools. Our heart is not to put on an evening for you but rather work with you on this project. Again God has blessed these events and many have come to faith in Jesus.

Schools update

From January to May 2009 we are looking forward to working with 5 schools in the Ballymena area, Dunclug College, Ballymena Academy, Slemish College, Ballee High and Cambridge House . Through assemblies, lunch outreach events, S.U. meetings and the 1WAY youth event in Seven Towers Leisure Centre we hope to reach out to many young people in the area with the Good News of Jesus.
